## Great Gifts for Guys and Dolls - a Sure Bet on Broadway

Sky Masterson may have gambled on love with missionary Sarah Brown in the classic Broadway musical "Guys and Dolls," but finding a great gift for Valentine's Day, Mother's Day, Father's Day and more is a sure bet in Fair Lawn's Broadway District.

There's a world of choices for your special Guy or Doll -

- Flowers and fine dining
- Gift baskets and home furnishings
- Beauty salon, manicure and spa services
- Appliances and antiques
- Apparel, accessories and so much more

Masterson may have taken Sarah Brown all the way to Havana to impress her, but Fair Lawn's Broadway is much closer. The convenience of free parking, plus a warm and friendly welcome from the many locally and family owned and operated businesses add to the district's appeal.
