Fair Lawn's Broadway: Great Shopping and Dining in "Our Town"

American Playwright Thorton Wilder celebrated the importance of daily life in his 1938 play, "Our Town." While today's fast-paced modern lifestyles make Wilder's images of small town life seem quaint by comparison, there's still a place where you'll find a courteous and caring hometown welcome; Fair Lawn's Broadway District.

Businesses on Broadway can help make your day-to-day life a breeze, with a wide range of products including:

- Automobile Care and Repair
- Diverse Ethnic, Specialty and Gourmet Foods
- Furniture and Home Furnishings
- Landscape and Gardening and so much more!

Plus, in "Our Town," Fair Lawn residents and visitors from neighboring communities can expect experienced and knowledgeable service provided by the Broadway District's many family-owned and operated businesses. Add a wide range of personal services, dining options sure to please and convenient, free parking to complete the picture - Fair Lawn's Broadway District is a great place to live, to work, to shop and to dine.
